## BONUS EXPRESSION ÉCRITE

- Instead of being a required assignment, **the composition on p. 145 of your book will be an optional assignment** you can do for **bonus points**.
  - In addition to any bonus points you get for the French Film Festival, the meeting of the French Club, and the Table francophone, you can do the bonus expression écrite.
    - **If you are missing an assignment**, this will replace the zero for that assignment (not including the final exam or oral presentation)
    - **If you're not missing an assignment**, the grade will replace the lowest grade you have in another category (not including the final exam or oral presentation)
- As usual, **IT MUST BE YOUR OWN WORK** (no online translators, no help from friends/tutors/etc.)
- **All 5 steps (étapes)** must be completed separately **in French** and **turned in**.
- Try to use **vocab and structures from Modules 1-5**, from your **glossary**, or a **dictionary** (a printed one or <http://wordreference.com> for example). You can also **ask your teacher for help** with an occasional word/structure.
  - It will be graded on **Content, Vocab, Grammar, and Organization**
  - You can **turn this in any time between now and the final exam, or at the final exam**.
